

**“But when He, the Spirit of Truth, comes, He will guide you into all truth...”**  
**John 16:13a**

Do you ever feel that you’re facing this world all alone? Do you know people, who try to fit in, and no matter what they do, it just doesn’t seem to work? Maybe that person is you.

There is hope when you may feel like there is none. You need to know!

Let’s see, from God’s word, how you are not alone, and how we are able to face the world we live in and not just survive—but really live!

Plan on coming to Sierra Celebration 07 to see that you’re **NOT ALONE!**

**Special Guest Speakers:**

Tim (TK) & Dana Kurtaneck both grew up in Southern California but have since moved to Warsaw, Indiana, where TK serves as the Director of Church Relations and Youth Leadership Training at CE National. He oversees such programs as Operation Barnabas and The National Institute.

They both have spent countless hours investing into the lives of teens and young adults. We are really blessed to have them as guest speakers this year. They will be leaving their two children, Bekah and Nick, in Indiana, so plan on coming to hear what God has laid on their hearts.

**You get all this for only \$125**

**All programming for the weekend, 2 nights’ stay, give-aways, meals, and a “NOT ALONE” sweatshirt.**

*\*After January 24, add a \$10 late fee (and sweatshirt may not be available).*

**Transportation costs are not included and will vary for each church.**

**Special Guest Worship Leaders:**

We will also be having the team from San Jose State Campus Life join us for our worship. They’re planning to spend the whole weekend with us.

Space is limited. Don't be left out! Contact your youth pastor or youth leader for more info.

**PERMISSION FORM** [To be returned with your, non-refundable, \$75 down payment, by January 24, 2007. After January 24, a \$10 late fee is added, and registration increases to \$135. Make checks payable to your home church.] **Balance due before camp.**
